

The Estates at Cienega Creek Preserve Homeowners Association

2026 Approved Operating Budget

February 2, 2026

Enclosed please find the 2026 Operating Budget, which was approved by the Board of Directors on January 14, 2026.

There is no assessment increase for 2026.

Details of your assessments payments and due dates are shown below.

Your 2026 quarterly assessment is \$90.00. This assessment is due on January 1, 2026, April 1, 2026, July 1, 2026, and October 1, 2026. Unpaid assessments will result in a late fee of \$15.00 being added 60 days after the due date. Additionally, unpaid amounts are subject to interest charges at the rate of 10% per annum. Interest is applied on the 30th day of each month that the balance remains unpaid.

Senate Bill 1531 has amended ARS 33-1256 and ARS 33-1807 relating to condominiums and planned communities. Effective January 1, 2020, the law requires that statements of account shall be provided to all homeowners on at least the same schedule as assessments are due (i.e. monthly, quarterly, semi-annually, etc.). Statements must show the current amount due **as well as the immediately preceding ledger history** to aid owners in understanding their assessment and fee history. This applies regardless of whether the member is in good standing, delinquent or in credit, and will be a required procedure affecting your association in terms of time incurred and/or cost.

The Annual Meeting is scheduled for November 2026. Homeowners will be mailed additional information prior to that meeting.

If you have set up automatic payments through your personal bank for your assessment, please contact your banking institution to confirm the dollar amount of the assessment. **Please note that this needs to be initiated by the owner, Cadden does not have the authority to do this for you.** If you have automatic payments through Alliance Association Bank for your assessments, please verify your payment amount.

If you have any questions regarding the budget or any Association issues, please do not hesitate to contact me at 520-297-0797 or you may also email me at CaddenSupport@cadden.com.

For the Association,

Alexis Enos

Attachments: Assumptions and 2026 Budget

The Estates at Cienega Creek Preserve Homeowners Association

2026 Assumptions

January 2026

INCOME

- **Residential Income** – Based on 67 homeowners paying a quarterly assessment of \$90.00. There is no increase in 2026.
- **Interest/Other Income** – Interest from operating accounts.

EXPENSES

- **Property Taxes** – Based on a flat rate fee that Pima County charges for common areas.
- **ACC Report** – The Arizona Corporation Commission (ACC) report must be filed annually to renew the Association's non-profit corporation status.
- **Income Taxes** – Non-profit organizations pay a minimum tax of \$50.00 to the state. The majority of the income for the Association is considered Exempt Function Income and is not taxable. This would include member assessments, interest and late fees charged on delinquent assessments, and transfer fees. Income, which would be taxable to the Association, would be investment income (interest) on both Operating and Reserve funds. The Association anticipates paying taxes on the reserve interest generated.
- **Insurance** – The Liability, D&O Insurance, and Fidelity Bond figures were obtained from LIO Insurance and Philadelphia Indemnity Insurance Co. A copy of the coverage may be obtained by contacting the management office.
- **Landscaping Contract** - The current contract is between the Association and Complete Landscaping. The landscaping company maintains the property on a weekly basis, along with the roadway, and on the common area islands.
- **Non-Contract Landscaping** - Based on the small unexpected maintenance expenses.
- **Accounting** - For the preparation of the Association's State and Federal tax returns as well as a review of the Association's records by a CPA.
- **Management** - Based on a contract between the Association and Cadden Community Management (CCM). There has been a 3% increase per the management agreement.
- **Postage** - Based on 2025 mailing activity.

- **Photocopying/Printing** - Based on 2025 printing activity (e.g., delinquent letters, statements, letters to homeowners, Board packages, etc.)
- **Statements** – Based on 67 lots receiving quarterly statements.
- **Website Maintenance** - The amount of money needed to maintain the community website.
- **Office Supplies** - Based on 2025 office supplies purchased.
- **Meeting Expense** - Based on Meeting Minutes created by the management company.
- **Net Income** - Based on projected income of \$24,120.00, expenditures of \$23,758.94 and reserve deposits of \$361.06 for 2026, this budget is expected to essentially break even by year-end. Should there be excess cash available in the Operating Account at year-end, it is customary that such funds would, by Board resolution, be transferred to the Association's Reserve Account.
- **Reserve Deposit** - Though not part of the Operating Budget, contributions to the Association's Reserve Account are included in the calculation of homeowners' annual assessment. The Association's Reserve Account is set up in expectation of future expenditures.
